Chapter 11

RE: Debitor,  
Litigation Praction Group

**Objection to Attorney Hay's  
Omnibus Response to  
Creditors Motions**

TO THE HONORABLE SCOTT C. CLARKSON, UNITED STATES BANKRUPTCY  
JUDGE, THE UNITED STATES TRUSTEE OFFICE AND ALL INTERESTED PARTIES

In pursuant to local Bankruptcy rules 9013-1 (o) Attorney Ed Hays of the United States Trustee's Office has OBJECTED to Creditor Ms. Skiba Motions in an OMNIBUS manner. First, Attorney Hays stated that Creditor failed to state claim. In the **Proof of Claim, Exhibit A**, Creditor did file the contract that was showing in what the duties were that Phoenix Law was suppose to perform, and did not. Mr. Hays also stated in his objection that Phoenix Law was taking money out of my account every month and Creditor did state in a claim, Creditor did explain that Yes they did take money out of my account and then abandoned client, that there was a **Breach of Contract** Creditor did explain that she had forty-two complaints with the Better Business Bureau that the same thing happened to them. At that time she immediaetly fired Phoenix Law and voided contract, in which I provided letter of termination in Proof of claim. On June 12, 2023 Phoenix Law was terminated and i asked for a refund, to this day I never received it. Other claims were made such as **Defrauding Creditor, Damaging Credit, and Defamation.**

Attorney Hays made accusations that Phoenix Law is a separate company than LPG  
I would like to challenge Mr. Hay's in his Response at the Hearing which would be  
more appropriate.
